Square Peg PIZZERIA

GROWTH MEETING

THE FIVE

The five things we review on every Growth Meeting call.

EVERY WEEK, ALL FIVE

COME WITH NUMBERS

Not impressions. What you actually did.

THE FIVE, IN ORDER

1 Loyalty

HOW Dine-in: every server brings the laminated loyalty card to the table once the order is in. To-go: ask at pickup, or on the phone before they arrive.

TRACK **Your weekly loyalty report. Come to the call with the numbers.**

2 Local outreach, on foot

HOW Walk into local businesses and organizations with tokens, bounceback cards, flyers and pizza. Every new contact and follow-up note goes into Wingman.

TRACK **Toast comp report for your tokens — keep a record of which color went to which business — and for bouncebacks. Plus what you entered in Wingman.**

3 Emails & follow-ups

HOW Work the leads and contacts you already have: past catering customers, fundraiser partners, possible business partners. CC Carla on catering and events, Brian on marketing and cross-promotion.

TRACK **The CCs to Carla and Brian, the replies, and what they turned into.**

4 Catering & large reservations

HOW Turn the outreach and the follow-ups into catering orders, large reservations and event bookings.

TRACK **Come with what you booked. Every booking goes into connect.squarepegpizzeria.com.**

5 Pictures & events

HOW Photograph events, groups and anything happening in your restaurant, and upload them with the code at the foot of this page.

TRACK **We review the week's uploads on the call.**

THE GOAL

KEEP IT SIMPLE. STAY CONSISTENT.

Show measurable progress every week.
